

PROJECT SUCCESS

250K Sqft Wheel Manufacturing Plant Closing & Relocation

Disassemble, palletize, custom crate, label for reassembly and prepare to move to Mexico, Brazil, and Germany.

// A job well done,
thanks for the help //
- Customer Operations Manager

GETTING RESULTS:

Over 9 months, all Akron machines and manufacturing lines were disconnected, moved, custom crated, shrink-wrapped, fluid-filmed, and shipped according to the customer schedule and to their satisfaction.

THE SCOPE:

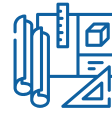

15+
